Inclusive & Accessible Programs for All Boys

THE BOYS' CLUB OF NEW YORK

BCNY The Boys' Club of New York

WHY BOYS?

BCNY is dedicated to ensuring that all boys experience a childhood full of self-exploration, play, choice, and supportive relationships. Members explore their diverse interests and are equipped to create their own relationship with masculinity free from stereotypes and restrictive gender norms.

ALL BOYS

BCNY's commitment to accessibility and inclusivity drives us to evolve alongside society's changing understanding of what boys and young men need to thrive. As BCNY members embrace the freedom to redefine their paths and shape their identities in harmony with their unique gifts, talents, and personalities, BCNY remains flexible, open, and responsive. To ensure our support aligns authentically with all boys' journeys, BCNY has updated its membership policy.

MEMBERSHIP POLICY

BCNY welcomes all individuals identifying as male and/or masculine, including, but not limited to trans boys and young men, gender fluid and exploring youth, and two-spirit identified individuals.

Our commitment extends beyond labels; members who no longer identify as male/masculine will remain valued members of BCNY, forever embraced as part of our family. #BCNYFOREVER
